

Dj Felipe aka Phillipp Straub (Vienna / Austria)

: Minimal Techno

Philipp M. Straub alias DJ Felipe has been spinning in Vienna's hottest underground venues as well as on major events in center Europe and last but not least establishing his first DJ-booking agency leading to today's Titan International that is an exclusive partner of various international agencies for the Austrian and Eastern European market. In 2001, Felipe decided to concentrate more on his DJ career and started working on a number of new ideas such as his residency at Vienna's top club Flex where he hosted the event series "Essence" having guests like Sven Väth, Richie Hawtin, Luke Slater, Chris Liebing, Marco Carola, Dave Angel and Adam Beyer. Since then, Felipe has gone on to travel the world, visiting dozens of countries to present clubbers worldwide his definition of cutting edge electronic music. As one of his highlights Felipe is pointing out his Brazil tour 2006 and his regular appearances in Asia's superclub Womb.
